The ODD MONTH Challenge of Opportunity March 2023 | the letter M

What is the ODD MONTH Challenge of Opportunity? It was started a year ago when you as members asked for something more from our Facebook Group.

For each odd-numbered month, a challenge is presented to create ART based on the theme of the month. You may submit up to five (5) images for each challenge. We ask that you create something new for each challenge and try something new in terms of medium, color, or style. Or, if you have a project you never finished or something you want to rework, here is the opportunity to do so without judgment. Be creative, step outside your comfort zone, and silence those voices of self-doubt.

The album will be posted on Facebook Wednesday, March 1.

THE DEADLINE FOR ENTRY IS FRIDAY, MARCH 31 AT 11:59 AM
