The ODD MONTH Challenge of Opportunity
July 2023 | Black & White

The July Odd Month Challenge theme of Black & White sounds simple, but there are much deeper aspects for your artistic consideration. For instance, police cars are called black and whites. Or writing something clearly and concisely is referred to as putting it down in black and white. How about yin and yang, dark and light, night and day, good and bad, right and wrong, and other opposites? If your opinions are inflexible then you tend to think in black and white with no gray areas. And what about Holstein cows and zebras? So many possibilities, get busy! Make some art from your ideas and submit them from July 1 through July 31 on our Members Only Facebook page in the July ODD Month Challenge album.

The link to the album is below.

Ronald McDonald House Charities - Eastern Wisconsin Ongoing Installation

The Ronald McDonald House is on Watertown Plank Road in Wauwatosa across from Children's Hospital. Our mission is to keep families together and promote the health and well-being of children, many of whom are being treated at Children's. At any given time, we are able to house up to 84 families, thanks to a recently completed expansion.

At the beginning of 2023, a fourth wing of the House was opened, dedicated to families staying long-term (60 days or more). This new expansion features 14 beautiful guest suites, a conference room, various administrative offices, family gathering spaces, and our new main entrance for families, donors, and volunteers to check-in.

The Southeast Chapter of Wisconsin Visual Artists has agreed to provide artwork for an area in the Ronald McDonald House. This will be an ongoing project of the SE Chapter. We will provide 25 pieces of art to be rotated every three months. Members of the Southeast Chapter may submit up to three (3) pieces for each rotation. There will be 25 pieces of work selected for each rotation.
