"As the mix between red's passion and white's purity, pink symbolizes love, nurture, and compassion. It evokes feelings of comfort, warmth, and hope. Pink is also a sign of good health with the phrase "in the pink." It symbolizes success in the expression "everything is rosy" and happiness with "tickled pink."

The album will be posted on Facebook on Wednesday, May 1.

Each member may submit FIVE (5) images of work where the predominant color is PINK. At the end of the month, one artist will be selected randomly to receive a \$35 gift card from Blinks.

Dan Buchholz

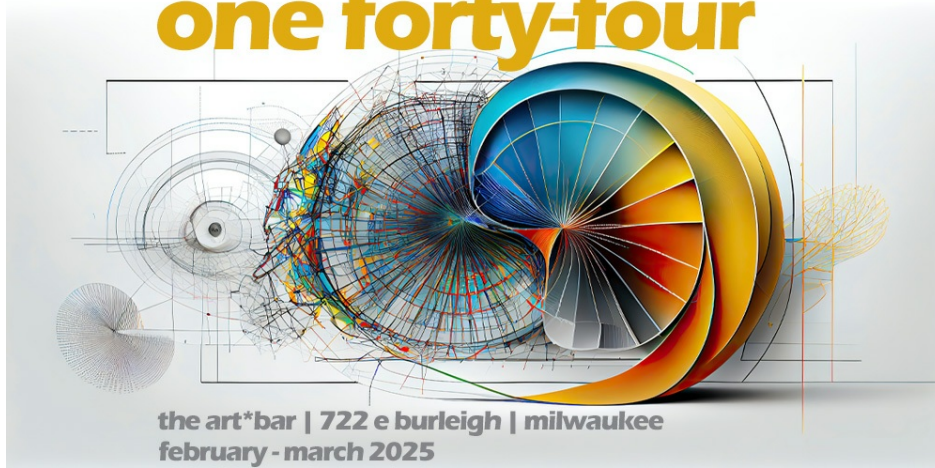

Dan has stepped to volunteer to be the Treasure of the Southeast Chapter with some gentle nudging from his wife, Holly
