QR
CODES

We will be using QR Codes on the Gallery Tags when shows are exhibited in a space that is not managing the sale of your artwork.

QR Codes allow interested buyers to access your website, Facebook page, or Instagram account to enquire about purchasing your artwork.

Denise Hansen will talk about creating and using QR Codes at the June Meeting.

"Like most other orange hues, tangerine is associated with energy, youth, and happiness. Not surprisingly, tangerine pairs wonderfully with any color you'd associate with a sunset, like yellows, blues, and purples. These palettes are usually cheery and lively."

The Facebook album will be available on Monday, July 1. Each artist may submit up to FIVE (5) images
